

GUANGZHOU RED SUNSHINE CO.,LTD.

COMPANY INTRODUCTION

Guangzhou Red Sunshine Co., Ltd. has focused on glove production and export for more than 20 years. We own independent manufacturing plants and a professional foreign trade team. Our main products include latex gloves and nitrile gloves. Our original factory is located in Foshan, Guangdong Province, while new production bases have been established in Guangxi and Hebei. Altogether, we run 12 fully automatic production lines with a workforce of over 300 employees.

We possess more than 20 sets of moulds for household and industrial rubber gloves, enabling us to supply gloves in various lengths, thicknesses and colours. We offer a rich array of customized options for clients, and our products are widely used across a broad range of industries.

Upholding the core values of "Dedicated & Action-Oriented, Innovative & Excellence-Driven, Grateful & Altruistic", we produce premium-quality goods to serve all our partners. We enforce rigorous quality control protocols and provide top-tier customer services to help clients secure a competitive edge in global markets. We firmly believe that sincerity lays the solid foundation for long-term business partnerships.

Vision:

To become a sustainable enterprise dedicated to hand protection.

Mission:

Guarding Beauty with Love,
Hand in Hand.

Values:

Dedicated & Action-Oriented,
